

org.lightvoting.simulation.agent.
CVotingAgent.CVotingAgentGenerator.generatesingle

```
graph LR; A["org.lightvoting.simulation.agent.CVotingAgentGenerator.generatesingle"] --> B["org.lightvoting.simulation.agent.CVotingAgent"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'org.lightvoting.simulation.agent.CVotingAgentGenerator.generatesingle'. The right box has a white background and a black border, containing the text 'org.lightvoting.simulation.agent.CVotingAgent'. A dark blue arrow points from the right side of the left box to the left side of the right box.
